These lamps have diverse uses: They can be installed on the wall or on the ceiling. The lamps variable design also permits floor placement.

Diese Leuchten sind vielseitig einsetzbar: sie können sowohl an der Wand, als auch an der Decke montiert werden. Ebenfalls ist durch das variable Design der Leuchte eine Bodenplatzierung möglich.

Ces luminaires sont d'une application multiple : ils peuvent être aussi bien montés sur le mur qu'attachés au plafond. Un placement au sol est aussi rendu possible par le design variable des luminaires.
