A1812-B-3

The image shows two pendant light fixtures hanging from a ceiling. Each fixture consists of a long, cylindrical, illuminated glass tube with three horizontal, fan-like metal discs attached to it. The tubes are made of clear glass and are held together by dark metal bands. The background is a plain, light-colored wall.

A smaller version of the A1812-B-3 pendant light fixture is shown hanging from a ceiling. It features a cylindrical glass tube with three horizontal metal discs. The background is a plain, light-colored wall.
